

Hourly parking options at The Living Room at TLIO

The Living Room is located in the Orchidhouse at 21 East 6th Street, in downtown Tempe, zip code 85281. The parking police are relentless in the Mill Avenue District, so please don't take any chances. The metered parking is limited to 2 hours within a block of Mill Avenue, and 3 hours for meters east of that, so for longer meetings and workshops, please park in one of the nearby parking lots. On the map below, the three closest options are indicated. Please also note that 6th Street does not go through in front of the Orchidhouse, so access to the parking under the building (P1) is not accessible if you arrive from the east. (Be aware that there may be other street closures due to construction or events, and sometimes the 6th Street entrance to underground parking is closed, so 7th Street entrance is recommended.) The Living Room is also easily accessible using the Light Rail (Mill Ave/3rd St or Veterans Way/College)

Entrance to the building is on the north side (i.e. off of where 6th Street would be if it went through) about in the middle of the building, opposite the external public elevator that comes up from the parking garage. You will need a security code to enter the building and make the elevator operate to the 6th floor. If you don't have the code when you arrive, press *91 and we'll buzz you in. The Living Room is at the NW corner of the 6th floor in Loft 614. As you exit the elevator alcove, it is at the end of the hallway to your right.

P1 indicates the two entrances to the public parking under the Orchidhouse. Parking in this covered parking is \$3/hour. If you select this lot, once you enter, follow the signs to the Orchidhouse elevator. Select P (Plaza) level and you will exit opposite the entrance to the Orchidhouse.

P2 is an open air lot. \$2/hr, max \$9. Take the walkway straight on from Myrtle Ave past the Orchidhouse and walk left towards Mill Avenue to the building entrance.

P3 is another covered lot,. Enter from 5th Street. Walk out to 6th Street and go east to the Orchidhouse.

P4 is an open air lot, first hour is free, \$2/hr after, max \$8. Enter from Maple St. Walk 6th St across Mill to the Orchidhouse.

Green boxes are 3 hour meters, \$.25/10 minutes, maximum 3 hours. You can pay by credit card or cell phone as well as coins.
